FLC NORTHEAST REGION FALL MEETING

September 24-25, 2019 | Newport, RI

HOSTED BY:

Innovate Newport and Naval Undersea Warfare Center Division Newport

Presentations focused on collaborations between federal labs and external organizations, through the use of Partnership Intermediary Agreements, state and regional economic agencies, and novel mechanisms.

Meeting and presentations will be held at the newly-opened Innovate Newport, a historic school building in the heart of Newport that has been transformed into a hub for the region's growing innovation economy. More information can be found at innovatenewport.org.

Tours of NUWCDIVNPT's unique facilities provided (afternoon of second day).
